Chat Log   Community Flood Preparedness Fund Q&A 8/13/2021

DCR (to Everyone): 1:10 PM: Webpage with grant manuals for rounds 1 and 2:
https://www.dcr.virginia.gov/dam-safety-and-floodplains/dsfpm-cfpf

Chris Stone (to Everyone): 1:17 PM: Will DCR make available "approved" community resilience plans for review and reference to those localities that are trying to develop one?

Daniel Medina (to Everyone): 1:20 PM: How are the   project proposals evaluated?

Jill Bieri TNC (to Everyone): 1:20 PM: If we are applying for a planning and capacity award to create a Resilience Plan- will that completed plan be approved for project awards in future rounds- knowing the plan must include the elements that were outlined.

Jill Bieri TNC (to Everyone): 1:23 PM: Thank you.

Jill Bieri TNC (to Everyone): 1:24 PM: It is unclear if the scoring criteria should be completed by the applicant?

Jill Bieri TNC (to Everyone): 1:25 PM: I have a few other questions, actually.

Jill Bieri TNC (to Everyone): 1:25 PM: So we score the elements?

Carolyn Heaps (to Everyone): 1:26 PM: Apologies if I missed this, but could you share whether there are any notable differences (aside from deadlines, total funds available) between the grant round 1 and grant round 2 manuals?

Jill Bieri TNC (to Everyone): 1:26 PM: Ok, thank you.   I am helping Northampton County with a proposal, are letters of support needed.

Carolyn Heaps (to Everyone): 1:26 PM: Great - thank you!

Jill Bieri TNC (to Everyone): 1:28 PM: Required elements Part IV- where should they be located in the proposal- we have them included in narrative, but want to know if we should call-out, highlight specifically?

Lynda Hubbard (to Everyone): 1:31 PM: Could an application for Round 1 or 2 still be considered into round 3 or future.

Jill Bieri TNC (to Everyone): 1:33 PM: Thank you all for your time and answers to questions.

Matt Meyers (to Everyone): 1:34 PM: Thank you
